DEALERS NATIONWIDE

ABOUT US

Tulloch Farm Machines is a family owned business that have imported and distributed farm equipment around New Zealand for 50 years and are still going strong. The knowledge and experience we have developed over 4 generations makes us experts at what we do.

We know it is important to represent and be proud of what we do. The promotional items in this catalogue are a reflection of the high quality and reliability that we have come to expect from the KRONE brand. Tulloch Farm Machines also work to maintain this high standard when it comes to service to ensure we have satisfied customers.

If you have any queries about the products in this booklet please contact Ashleigh Macleod on: (06) 370 0390 or marketing@tulloch.nz.

Your loyalty and support has helped us grow and we appreciate your involvement. Thank you.

Krone, as we all know, is a brand that not only focusses on high quality but also efficiency and durability. We are happy to say that this mentality is not only demonstrated through their machinery but also through their promotional items.

Farm Machines
For technology that works!

KIDS COLLECTION

Kit out the next generation with our great selection of kids clothes, models and accessories to follow in your footsteps. Kids are highly inspired by their parents and we are ready to make a mini me out of yours! Krone is often producing new gear so if you are after something that does not feature in this catalogue, don't be afraid to give us a buzz.

You can either contact us on 06 370 0390 or email a.macleod@tulloch.nz

THE KRONE BiG GO-KART

Dimensions (LxWxH) cm: 150x86x80

Weight: 50kg

Recommended age: 5 years +

Recommended Max height: 190cm

\$1640.00
Inc GST

With tractor style tyres, floating front axle, exhaust pipe, double ball joint steering, bonnet and 6-fold seat adjustment, it is in no way inferior to its big role models in terms of efficiency and reliability. The Krone BiG GoKart features the latest BF1 freewheel to prevent the pedals from turning while driving forward. The driver can take a break during the forward movement. This minimises the risk of injury. Pure driving pleasure!
